<p>INFORMATION ON THE PROCESSING OF PERSONAL DATA The collection of the data required by this application form, the taking of your photograph and, if applicable, the taking of your fingerprints, are mandatory for the examination of the visa application; and any personal data concerning you which appear on the visa application form, as well as your fingerprints and your photograph will be supplied to the relevant authorities of the Member States and processed by those authorities, for the purposes of a decision on your visa application. Such data as well as data concerning the decision taken on your application or a decision whether to annul, revoke or extend a visa issued will be entered into, and stored, in the Visa Information System (VIS) for a maximum period of five years, during which it will be accessible to the visa authorities and the authorities competent for carrying out checks on visas at external borders and within the Member States, immigration and asylum authorities in the Member States for the purposes of verifying whether the conditions for the legal entry into, stay and residence on the territory of the Member States are fulfilled, of identifying persons who do not or who no longer fulfil these conditions, of examining an asylum application and of determining responsibility for such examination. Under certain conditions the data will be also available to designated authorities of the Member States (for Italy: the Ministry of Interior and the Police authority) and to Europol for the purpose of the prevention, detection and investigation of terrorist offences and of other serious criminal offences.
